About UMC 2021

The 50th Underwater Minerals Conference will be hosted by USF College of Marine Science and will be held at the Vinoy Renaissance Resort in beautiful St. Petersburg, FL, USA.

UMC offers five days of timely, exciting and diverse information on underwater mineral exploration, environmental research, government policy and mining. The conference brings together leaders in government, academia and industry from over 25 countries to exchange information about underwater mining. The UMC 2021 focus is:

**Half a Century on:
Learning from the Past to
Inform the Future**

About IMMS

The International Marine Minerals Society advances understanding and progress of marine minerals exploration worldwide. IMMS encourages the prudent development of marine mineral resources, including concern for the environment and boosts research in all aspects of marine minerals development. IMMS is the organizer of the Underwater Minerals Conference.
